

Aamodt Settlement Informational Meetings

Please come and learn more about the Aamodt Settlement. The Notice and Order to Show Cause sent with this flyer asks you to make important decisions.

Santa Fe County will be sponsoring public meetings and workshops to go over the settlement agreement and to help provide information. With the help of the other Settling Parties, the County will hold two public meetings. For those who want additional information, the County will also schedule smaller workshops and individual office hours.

- **Public Meetings:** 6:00-8:00 PM, Tuesday Feb. 18, 2014
Pojoaque Middle School Auditorium

6:00-8:00 PM, Thursday Feb. 20, 2014
Tesuque Elementary School Gym
- **Workshops:** The County will also hold smaller workshops limited to 30 participants at each workshop. These workshops will cover settlement issues, including those affecting domestic well water rights. Sign up at the public meetings or call the number below to reserve a spot.
- **Drop-in Office Hours:** Come by the County's satellite office in Pojoaque, 5 West Gutierrez, Suite 9, to obtain additional information. The office hour schedule will be available at the public meetings and at the County and Utton Center websites beginning in February.

To assist with these public meetings, workshops and office hours, the County has hired the Joe M. Stell Water Ombudsman Program at the Utton Transboundary Resources Center of the University of New Mexico School of Law. Please call Darcy Bushnell at the toll-free Water Adjudication Helpline at 1-877-775-8333 or directly at (505)-277-0551. Leave your name, phone number, and question. She will attempt to call you back by the next business day.

Additional information may be found at the Center's website at: <http://uttoncenter.unm.edu/ombudsman/npt.php> and at the County website: http://www.santafecountynm.gov/county_commissioners/daniel_mayfield/aamodt_outreach
